

University of Chinese Academy of Sciences (UCAS) is an innovative university that integrates scientific research and education, focuses mainly on graduate education, and features outstanding undergraduate education. Its predecessor was the Graduate University of Chinese Academy of Sciences established in 1978.

UCAS STUDENTS HAVE ACCESS TO RICH RESEARCH AND TEACHING RESOURCES.

Nationwide coverage

4 campuses in Beijing

5 education bases outside Beijing

110+ CAS institutes as the academic units of UCAS

Strong faculty teams

12,880 supervisors, including 7,537 PhD supervisors. 3,155 professors, including 191 CAS and CAE members.

23 large-scale scientific facilities

Advanced research innovation platform

Two national research centers, 73 national key labs, 191 CAS key labs, 39 national engineering research centers (labs) and various national frontier scientific research projects.

Oceanographic Research Vessel Shi Yan VI

Taiji-1 Satellite for Technology test of GWDs

Five-hundred-meter Aperture Spherical Telescope

Extensive International Cooperation Network

Close partnerships with esteemed overseas institutions of higher learning

Established ICTP-AP with UNESCO

A member of the Association of Pacific Rim Universities

Kavli Institute for Theoretical Sciences

Sino-Danish College (SDC) in China at UCAS

Close ties with Alliance of International Science Organizations

SCHOLARSHIP PROGRAMS FOR INTERNATIONAL STUDENTS

University of Chinese Academy of Sciences (UCAS) accepts international students through over 20 UCAS colleges and over 100 institutes of Chinese Academy of Sciences (CAS). UCAS provides about 200 master's programs and 160 doctoral programs to international students under the support of different scholarships. All the doctoral programs and over 50 master's programs can be taught in English.

The ANSO Scholarship for Young Talents

The scholarship was launched by the Alliance of International Science Organizations (ANSO) in 2019 with the goal of training and cultivation of young scientists from all over the world. It provides full scholarship to 145 master's and 190 doctoral students every year to pursue postgraduate education at UCAS.

UCAS Scholarship for International Students

UCAS Scholarship consists two types: the full scholarship and the partial. The full scholarship provides tuition waiver, monthly stipend, basic accommodation and medical insurance; while the partial scholarship covers some items of the Full.

Chinese Government Scholarship

Entrusted by the Ministry of Education of the People's Republic of China, UCAS recruits outstanding young graduate students from all over the world and provides full scholarships.

Other Resources of Financial Support

UCAS also accepts applicants with scholarships provided by foreign governments, higher education institutions, international organizations or with self-support.

Scholarships	Programs	Stipend (RMB/Month)	Accommodation or Accommodation Subsidy (RMB/Month)	Duration (Year)	Value and Benefits
ANSO Scholarship	PhD	6,000-7,000	/	4	Successful applicants who are awarded a scholarship are exempted from the application fee (RMB 600) and tuition fee (RMB 40,000/year for PhD program, RMB 30,000/year for Master's program)
	Master's	3,000	1,000 subsidy	3	
Chinese Government Scholarship	PhD	5,000	Free on campus	3-4	
			No more than 1,000 subsidy for off campus accommodation		
	Master's	3,500	Free on campus	3	
			No more than 700 subsidy for off campus accommodation		
UCAS Full Scholarship	PhD	3,500	Free on campus	3	
	Master's	3,000	Free on campus	3	
UCAS Partial Scholarship	PhD	/	/	3	
	Master's	/	/	3

HOW TO APPLY

Application process

Step 1 Get to know the requirements of admission and scholarship application from international students admission column (at the top) of UCAS English website <https://englishucas.ac.cn/>

Visit <https://englishucas.ac.cn/index.php/admission/international-students/schools-colleges> for information of UCAS colleges/CAS institutes.

Step 2

Step 3 Apply Online at UCAS Application System for International Students (<https://adisucas.ac.cn/>)

UCAS makes the final review and prepares admission documents

Step 4

Apply Now!

Why UCAS?

✓ Unique fusion of research & education

✓ Nationwide coverage

✓ Well-developed research infrastructure

✓ Strong faculty teams

✓ Visit <http://englishucas.ac.cn/> for more information

Important Dates

Deadline	Scholarship Program
February 15 th	ANSO Scholarship for Young Talents
February 15 th	Chinese Government Scholarship
February 15 th	UCAS Scholarship
May 15 th	Other scholarship programs or self-support program

Applicants may apply for more than one scholarship program simultaneously.

University of Chinese Academy of Sciences (UCAS) has been driving research and educational success, drawing strength from its close integration with CAS institutes and achieving an excellent track record in graduate education.

Many firsts in national graduate education

-  First Doctorate of Science
-  First female doctoral degree recipient
-  First Doctorate of Engineering
-  First double-degree doctoral degree recipient

Conferred about 200,000 postgraduate degrees

UCAS EXCELS IN GRADUATE EDUCATION AND IS EXPANDING ITS UNDERGRADUATE PROGRAMMES.

About 200 alumni were elected Full and Emeritus Members of CAS and Chinese Academy of Engineering (CAE).

About 60,000 postgraduates on campus, 51% of whom are PhD candidates, 1,640 undergraduates on campus.

ACADEMIC SUCCESS

UCAS ranked 5th globally and 1st among Chinese universities according to Nature Index (released in June 2023).

UCAS ranked 24th globally, and 1st in China according to ESI data (released in November 2023).

UCAS ranked 1st among the young universities in the world according to Nature Index.

UCAS ranked 63rd globally in the 2022-23 list of the Center for World University Rankings (CWUR).
